## **Entering Pre-K3**

Practicing these Pre-K3 prayers and poems over the summer is a wonderful way to help your student make a home and school connection. Preschoolers will feel like they are sharing something from home with the rest of the class as they take part in these familiar verses at school next year.

### **Guardian Angel Prayer**

Angel of God  
My guardian dear  
To Whom God's love  
Commits me here  
Ever this day  
Be at my side  
To light and guard  
To rule and guide.  
Amen.

### **How Do You Say Good-bye?**

See you later, ALLIGATOR  
Bye-bye, BUTTERFLY  
Give a hug, LADYBUG  
See you soon, RACCOON  
Take care, POLAR BEAR  
Out the door, DINOSAUR  
Good-bye said the FLY

Everyday summertime fun can help reinforce what we learned during the school year and prepare your child for the next developmental stage. Have fun with your child while learning together. Students may take part in keeping track of their “summer fun” by using a self-inking stamper (available in the school office) to mark their progress.

Remember to READ, READ, READ with your student. Libraries have fun books to help teach your child what to expect in preschool. They also have great summer programs to help children meet new friends.
