### New Business

- Assessment/ Fundraising discussion
  - Looking for balance- less fundraising from smaller events, guaranteed funds from assessment

- Plenty of fundraising ideas, lack of participation, lack of manpower to execute events
- Is PATH intimidating? Trying to be available and open to everyone.
- Little interest in current events demonstrated by poor attendance. Is scheduling a problem, i.e. Friday night events too difficult to attend?
- Discussed assessment per family. Would include 2 tickets to Casino Night.
- Discussed drafting a PATH letter regarding assessment to families
- Looking to prioritize Spring Golf outing, Casino Night and 50/50 for 2019-2020
- Must have committees!
- Recruit volunteers at Back to School Night
- Engage parish populations in fundraising
- Engage alumni and grandparents
- Potential smaller fundraisers for 2019-2020: bag bingo, Square Art, Spring Concert/Chorale, Inlaid cross with family tiles
