School Supply Lists 2019-20

Dear Parents/Guardians:

There are two parts to our 2019-20 school supply lists: items to be purchased at school, and items to be purchased elsewhere. We are releasing this list early so that you may take advantage of summer sales!

PreK General Notes and Reminders

PreK class assignments will be decided upon as soon as we know if we will have two classes or more than two classes. For now the supply lists are separated into two classes. Class assignments will be forthcoming.

General Notes and Reminders

We require that all books be **covered and clearly labeled**. Each teacher will give specific directions regarding this at the beginning of the school year. Also, please note school supplies may be added and may need to be replenished periodically. Lastly, please be advised it is school policy that **permanent markers are not to be brought to school**.

Thank you for your cooperation.
